Most Honoured Sir,

We, the undersigned, representatives of the Lingayet citizens of Mysore City, do hereby bring the following to your very kind and sympathetic consideration

The Lingayet community is an important community in the City of Mysore and there are not less than 40,000 residents of Mysore City who belong to this important community It is a known fact that in the city of Mysore, though the Lingayets occupy an important position in trade and other services, etc , their representation on the Municipal Council has been very poor Generally the Lingayets do not owe allegiance to the Congress which has monopolised 23 out of 24 seats in Mysore and they are not represented by the members who are chosen on the Congress ticket

There have been many occasions wherein the Congress party has done deliberate injustice to the interests of the Lingayets and has disregarded their claims and interests We have always felt the necessity of having an indeperdent member on the Municipal Council to represent our interests on this Civic body But in these days of the rule of slogans itis well neigh impossible for any people to elect their representative through the ordinary channels It is on account of this that the Government have introduced the cumulative system of voting for election to the legislature It pleases us very much to note that the Goverrment who hold very dear at heart the interests of the [illegible] system of voting to the District Boards We only wish that the Goverrment had

introduced this system in the Municipal elections also

We set up an independent candidate to contest the Municipal elections of Mysore City during the recent elections That candidate was Sowcar B Subbanna who was very well supported by the Lingayets, but he could not succeed as he was a victim of the high handedness of the party which depends on slogans to get backing We expected that the Government would cure this injustice by nominating Mr Subbanna to the Municipal Council but it was a vain hope which was not fulfilled

Three seats were alloted to Muslims in the nominations 2 of which have been accepted and one has been refused successively by the nominees We understand that the latest nominee Haji Mir Ameeruddin Khurishi has also declined to accept the nomination since the Muslims are not ready to accept that seat It is but right that it is offered to a member of another important minority (community in Mysore city) viz, Lingayets We are very confident that you would very kindly consider the above stated facts and would nominate Sowcar B Subbanna to the Municipal Council in the existing vacancy

It is needless to state that Sowcar Subbanna is a very sincere and ardent selfless worker in our community He has done a good deal of to ameliorate the condition of the Lingayets in Mysore City specially and in the State generally His romination to the Municipal Council would ensure the protection of the rights of the Lingayets who are badly in need of representation on the Mysore City Municipal Council

We trust that you would very kindly nominate him to the Municipal Council, and lay the Lingayet community under an obligation which would be remembered for ever

We remain
Very Respectfully yours,

Mysore,

CITY MUNICIPAL COUNCIL
MYSORE

9457 Date 15th May, 1947

Dear Mr Pallegar,

With reference to Government Notification No 12665/M1 42-46-2 dated 17th March 1947 appointing Mr Haji Mir Amiruddin Khuraishi, Merchant, Mysore City, as a member of the Mysore City Municipal Council vice Haji Mr Gulam Ahamed Khan, resigned, I write to state that Mr Amiruddin Khuraishi has sent a letter of regret stating that according to the mandate of the All-Mysore State Muslim League, he cannot accept the nomination although in the beginning he expressed his willingness After making enquiry, I find that no suitable Muslim candidate is willing to accept the nomination to the Municipal Council and I fear that although I might suggest some other Muslim candidate, he might subsequently decline a nomination

I am therefore recommending the name of Mr S C Beluriah formerly a member of the Representative Assembly and a Public Service Medal Holder (1943) whose application has been forwarded to this office by Government with their No L 3450 dated 11-9-1946 Mr Beluriah is now a Nagaswaram Artist on contract basis in the Akashvani His community people have in their petition dated 18-11-1946 represented that Mr Beluriah who is a distinguished member of Nayanajakshatriya community and has been rendering public service for nearly 30 years and has served on several Committees and Associations besides being a member of the Representative Assembly and a Public Service Medalist may be nominated to the Municipal Council

I enclose the two references adverted to above If Government have no objection, Mr Beluriah may be nominated to the Municipal Council

Yours sincerely,

P t o

of this, the backward community has lost its rights and privileges Though many changes of late have been since made, no person has been nominated so far for the Representative Assembly from among the backward class, which number about 1,00,000 in the State

In view of the above facts, and my sincere services rendered in various capacities I humbly beg to request that I may be kindly nominated to the Representative Assembly I also pray that I may be recommended for being nominated to the District Board, Mysore, and the Municipal Council in the ensuing elections, and thus enable me to render my service to the public to the best of my ability
